## Church News

### Community Outreach

- ❖ Adamsville will be hosting a Single Parent Retreat for Air Force personnel on **March 23-24, 2012**. One of the Seymour Johnson AFB chaplains will be the key speaker. However, the event will also be open to civilian Wayne County residents. **We are planning to provide a supper for the parents and children on Friday, March 23. If you are willing to bring a covered dish for this event, please see Pastor Ted.** This will be an opportunity to share the love of Jesus with a group of people, including many who do not have a close relationship with Jesus. We will also be teaching the children during the retreat using the Big Wave Discovery material our children went through this past summer. If you are willing to help with child care so that this can be a successful outreach to our community, please see Tracy Barber.

### GPS Easter 2012

- ❖ This year our focus will be on the Pinewood subdivision in Goldsboro. On March 17 and 24 we will be prayer walking in Pinewood. On March 31 and April 7 we will be distributing Easter invitation packets to the neighborhood. The packets include a gospel tract, a New Testament, and an invitation to our Easter Service. Please plan now to reserve some time on these days to join your church family in sowing the gospel seed in our area again this year as we participate in God's Plan for Sharing (GPS).

### Sunday School Teachers

- ❖ If you missed the last Sunday School training when we went through the first half of "Sunday School Done Right" by Allen Taylor, please see Pastor Ted to borrow the CD's and get your workbook. You can listen to sessions 1-3 on your CD player and fill in the blanks of your workbook. Then you can return the CD's (within 2 weeks) so that another teacher can also benefit from this training.
